### We anticipate monthly pick-up dates throughout spring, summer & fall – Dates TBC

- Place your order for the desired month's waiting list and we will contact you when we know the delivery date to our store is — You can decide then if this date works for you to pickup your birds
- Order frequency depends upon adequate order volume, the availability of pullets from supplier and timing of third-party delivery services.
- NB: Birds must be picked up in Blackstock on the confirmed pickup day. Sorry, no carry-over of birds to the following day or beyond. Please bring your own poultry transport crate(s) or large cardboard box(es) for the transport of your birds.

**For Your Information:** In Ontario, backyard laying hen flocks may have up to 99 hens without purchasing quota. Ungraded eggs can only be sold from the actual farm gate location; Graded eggs (through a licensed grading station) may be sold anywhere, even from small flocks.
